

ARAMARK Gives You All the Comforts of Home

However remote or challenging your workplace location, you can trust ARAMARK to provide outstanding accommodations and hospitality solutions to make your employees and guests feel secure and well cared for. With more than 30 years of experience as a full-service provider of camp and catering services in remote locations both on land and off shore, you can rely on ARAMARK Remote Workplace Services to provide not only the safest and most comfortable accommodations but also the best food and support services available. Wherever ARAMARK travels, our quality standards go with us.

▸ **Partnership** We are a true partner to our clients, willing to invest in building a successful relationship based on shared gains and an appropriate level of risk. We offer the project management expertise and market knowledge to provide comprehensive services, including sourcing of remote workplace sites, project lifecycle management, and construction and design.

▸ **People and Performance** By engaging and supporting our most valuable and differentiated asset—the competence, commitment, and creativity of our people—we have developed and maintain a true leadership position. Our performance is enhanced by a quality assurance program that ensures we are proactive and innovative in the ways we deliver and measure our services.

▸ **Safety** Promoting and enhancing safety in the workplace is one of ARAMARK's core values. We have zero tolerance for unnecessary risk, and our safety performance in both

offshore and land-based camps has been nationally and internationally recognized. We also have extensive expertise in compliance with local permits, building safety codes, and environmental compliance.

▸ **Environmental Stewardship** Through Green Thread™—ARAMARK's comprehensive program for weaving sustainable practices into everything we do for our customers—we offer the expertise to help our clients reduce their carbon footprint and achieve their sustainability goals. ARAMARK Canada was proud to be selected in 2010 as one of Canada's Greenest Employers.

▸ **Value** Our integrated services and geographic portfolios help us to optimize cost, efficiency, and quality for our clients. Our unique ability to scale geography—both locally and globally—to procure goods and services allows us to leverage economies of scale through volume-buying and third-party vendor relationships.

▸ **Community** We are always sensitive to the impact of our services on local communities. We strive to understand and recognize the value of all cultures, and we follow through on our assurances in the communities in which we operate. Aboriginal Partnerships—one of ARAMARK's Five Pillars of Excellence—reflect our commitment to provide employment opportunities, equity participation, and support for local businesses and Aboriginal community initiatives.

▸ **Culinary Innovation** As a foodservice industry leader, we create cutting-edge dining solutions for remote workplaces that are on-trend, nutritious, and high quality. We also offer outstanding catering services for special events of all types and sizes, including local community events.

Our Camps

ARAMARK Remote Workplace Services' modular camps are home-like spaces designed with maximum comfort and convenience in mind. Our goal is to provide your valued employees with the best possible living arrangements so they can perform their day-to-day job responsibilities as productively as possible. Our comprehensive offerings include clean, comfortable, and current personal living spaces and wash facilities, kitchens, dining rooms, recreation units, office units, and more. Because of our custom capabilities, there simply are no limits to what we can provide. We offer complete permanent or temporary remote camp solutions in all sizes that will meet and exceed all applicable building codes in your remote workplace destination.

ARAMARK was recently recognized as one of the world's most ethical companies by an international think tank dedicated to best practices in business ethics, corporate social responsibility, anti-corruption and sustainability.

ARAMARK Remote Workplace Services was proud to be selected to be the food & facility service provider for the security forces at the 2010 Group of Eight (G8) summit at the 800-acre Deerhurst Resort in Huntsville, Ontario, Canada.

The G8, consisting of leaders of the top industrialized nations, meets annually for the purpose of developing common approaches to urgent challenges facing the world.

Whether we are providing an 800-bed base camp in Alberta, a drilling camp in the Horn River Basin of British Columbia, or a 4,500-bed facility in Ontario for the G8 Summit, ARAMARK Remote Workplace Services always strives to exceed expectations.
